Mission Statement

The Dunn County Humane Society (DCHS) is dedicated to improving the lives of companion animals in our community and finding permanent and loving adoptive homes for the animals in our care. DCHS promotes the humane treatment of animals and operates as a no-kill facility, a philosophy that has been with the organization from the beginning. We do not forfeit the life of one animal to make space for another. All incoming animals are evaluated, medically treated and rehabilitated when possible. DCHS is a 501(c)(3) non-profit organization that relies on the good will and generosity of individuals and corporations.

What Happened to My Stuff?

by member & volunteer Judy Schindler

You dropped off loads of wonderful stuff for the DCHS Rummage Sale. Do you ever wonder: "where did it all go?" When I am working as a sale cashier, customers often explain how they plan to use their purchases. Besides buying for their own families, customers often "pay it forward." Here are a few examples from our Fall 2018 sale:

- One woman purchased quilt batting material on Friday. She and her friend planned to meet on Saturday to make dolls for Haiti using the batting.
- One couple purchased life preservers they will place in the containers at public docks. The preservers are for anyone who needs one while on the water.
- Someone bought boxes of books they distribute to the many Little Free Libraries around town.
- A nurses' aide from a local facility explained that residents often have only \$45 per month to spend on personal items. "Once you pay to get your hair done, you have almost nothing left," she explained, "so we started a 'store' at our facility so people can get what they need for very little money." She selected many items at the sale; she will donate them to the "store."
- Another person bought a large box of toys that will be donated to a day care.
- Several church members bought sheets to use as backing for quilts they make for needy people.

Many customers buy items they "upcycle" - making something new from something old. Some people purchase materials from which they create art pieces. Many brand new items (with tags still attached) become holiday gifts. And some folks are delighted to find the missing lid from a casserole dish, a replacement pot for their coffee machine, a matching piece of dishware or another attachment for their vacuum cleaner.

We cannot thank you enough for the many items we receive—and we hope you still have a closet or two to clean out for our spring sale (April 26-27, 2019)!

A cartoon rabbit is shown in two positions. On the left, it is jumping over a fence, with its body arched and its legs extended. On the right, it is standing on the ground, facing left, with its arms and legs spread out. The rabbit is wearing a small, patterned shirt. There are small circles around its head, suggesting motion or surprise.

The Mutt Strut N' Tabby Trot is a pet walk and 5K fun run fundraiser to benefit the Dunn County Humane Society. Formerly known as the Walk for Paws, this pet walk has grown to include a 5K fun run. Being DCHS's largest fundraiser of the year (& quite possibly the most fun), you won't want to miss out on this fantastic event!

Collecting pledges from family, friends, co-workers, neighbors, etc. is the best way to get involved! If you collect \$50 or more in pledges, your registration fee is waived and you get a free Mutt Strut N' Tabby Trot t-shirt! With your fee waived, you can save your money to spend on the fantastic basket raffles, silent auction, food and other goodies.

Prizes for top pledge amounts in Group/Family and Singles categories

A close-up photograph of a dog's head, likely a pit bull mix, wearing a pair of blue and black protective goggles. The dog's mouth is slightly open, showing its tongue. The goggles have a black strap and a blue frame. The background is blurred, suggesting an indoor setting.
