Mission Statement

The Dunn County Humane Society (DCHS) is dedicated to improving the lives of companion animals in our community and finding permanent and loving adoptive homes for the animals in our care. DCHS promotes the humane treatment of animals and operates as a no-kill facility, a philosophy that has been with the organization from the beginning. We do not forfeit the life of one animal to make space for another. All incoming animals are evaluated, medically treated and rehabilitated when possible. DCHS is a 501(c)(3) non-profit organization that relies on the good will and generosity of individuals and corporations.

Gabriel's Journey

Gabriel on 11/1/19

There are countless stories about dogs and cats that come to us and immediately capture our hearts. Gabriel is one such story of many this year. His story was highlighted by the news media not only in the Chippewa Valley, but it was also nationally carried by many print and online media outlets. His condition was shocking, but it was apparent from the moment he came to us that he had a sweet disposition and strong will to live. Only weighing an unbelievable 23.5 lbs when he came in on November 1st, we estimated he should weigh 60 lbs were he healthy. Fast forward to December 15th (a few days before he went into foster care) and he weighed 58.6 lbs.! In his time with us, he continued to secure an unforgettable place in our hearts and the hearts of all those that followed his story. We posted countless pics and videos showcasing his amazing spirit and love for us all. We are pleased to now share that his journey continues in a loving home he should have always had. The Chan family fostered him starting December 18th and on January 7th, they officially became foster failures! Gabriel's new parents Henry and Amanda Chan created a Facebook page to continue sharing the

Gabe & his sister

story of his journey and if you don't follow it, we encourage you to as it shows just how special Gabriel is. We want to thank everyone that offered encouragement, support, donations, and love for Gabriel in his time with us. We had donations, letters, and cards from all over the country.

Membership Program

Several months ago, we formed a committee to take a critical look at our membership program. Our organization has been membership-based since its charter in the mid-90s and members like you are why we are a 'society' and not just an animal shelter. Being a member helps show your continued support for what we are doing for homeless animals in our community. Members have voting rights and the ability to be elected to our board of directors, but also give us a collective, unified voice in our cause.

The ultimate goal of our committee is to retain current members and gain new members. Our committee worked hard to determine we needed some more benefits to do just that. As we start this new year, we are launching a new membership benefit program. This program

will take some time to be fully realized, but starts with several changes that we hope you will enjoy.

First, we are making our dog washes and nail trim services exclusive to members. We are also going away from the punch cards for these services in favor of 3 shareable coupons that you receive when you renew. You will receive a shareable engraved pet tag coupon as well. Any of these can be used by you or given to friends and family in the hopes they will see what we do and consider joining.

Other new items include a personalized membership card that will give you benefits at events we hold. We are also working with local businesses to provide some benefits for member cardholders as well. More on this as it develops. Finally, we are offering half-price microchips* and \$5 engraved pet tags to members throughout the year, as well as 10% off any Pet Stop merchandise at the shelter.

We hope you will enjoy these benefits and bear with us as we roll-out these new initiatives. Our plan is to provide these new materials as members renew, but can provide them earlier if you request it. Just email me at director@dunncountyhumaneociety.org or give me a call at 715-232-9790. And as always, thanks for being a member!

**these are microchips done at the shelter – half price is \$15 plus tax.*
