We Love Our Volunteers!

The dogs, cats, puppies and kittens (and of course staff!) of DCHS wanted to give a big "Thank You" to all of the volunteers that come in to socialize and play with them! Our volunteers are such an important part of the family here at the Dunn County Humane Society, and we can't thank them enough for all they do. From socializing & playing with the residents at the shelter, to putting in hundreds of hours at the rummage sales, to mowing the grass and taking cans to the recycler, we really could not accomplish our mission nearly so well without these amazing people. Here are a few pictures of some of our volunteers from this year!

Mission Statement

The Dunn County Humane Society (DCHS) is dedicated to improving the lives of companion animals in our community and finding permanent and loving adoptive homes for the animals in our care. DCHS promotes the humane treatment of animals and operates as a no-kill facility, a philosophy that has been with the organization from the beginning. We do not forfeit the life of one animal to make space for another. All incoming animals are evaluated, medically treated and rehabilitated when possible. DCHS is a 501(c)(3) non-profit organization that relies on the good will and generosity of individuals and corporations.

Interpreting Your Pup's Licking

Most dogs lick, and they lick a variety of things! Included on that list are themselves, other pets, people, toys, and sometimes not such good things. As their people, we are often perplexed by this behavior and wonder what it means.

As pet parents, we tend to look at puppy and dog "kisses" as a sign of affection, and there is some evidence of this. Your dog tells you that he trusts you as he licks your hands and looks lovingly at you. Even when you come home after working all day, your dog will be there to greet you with a loving lick. "Licking can be a sign of affection," explains Dr. Mary Burch. "It might also give a dog a feeling of security and comfort, just as the dog had when licked by its mother in the litter." This is definitely not the only reason your pup may lick you - you may find that they particularly like to lick you after you have eaten a tasty dinner!

Excessive licking of themselves, people or objects can also be a sign of boredom or anxiety though - enrichment/puzzle toys and extra walks are a great and fun option in these cases.

There can be very different opinions about how clean it is to let a dog lick your face. According to PetMD.com, for most healthy people a dog licking faces or other body parts should pose little health risk. If you are concerned, then do not let dogs lick your mouth or anywhere near an open wound.

Sometimes licking behavior can also indicate more serious things like allergies, pain, nausea or issues inside their mouth. Allergies are the #1 cause of excessive self licking in dogs, and may be caused by a number things in their environment or even nutrition. If your dog's licking is giving you cause for concern the best course of action is to give your veterinarian a call. For more detailed information on licking or other pet related issues contact your regular vet or visit PetMD.com.

Get Active AND Generate Donations for DCHS!

Have you heard that the Dunn County Humane Society is a part of the Best Friends Network? Or that Best Friends has developed the ResQwalk app to help generate donations for your favorite network organization? Simply download the ResQwalk on your phone to get started (BestFriends.org/resqwalk has links to the download site) - the app will keep track of your miles as you walk, bike, ski, rollerblade, run or any other similar activity (just keep it below 14 mph)! The default setting is to benefit

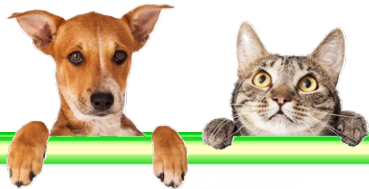

activate a new walk on the app... the miles all count the same!

Best Friends was started way back in 1984 by a small group of friends with a common goal of creating a sanctuary for abandoned and abused animals. In the decades since, Best Friends has become a leading voice in animal advocacy around the world and is the

Best Friends, so you will need to search for Dunn County Humane Society and set that as your benefitting organization when setting up your profile. Once the app is set up, just tap the "New walk" icon and start a new walk. Get out with your pets, friends or by yourself and

DID YOU KNOW...

The Dunn County Humane Society partners with off-site locations for some of our adoptable cats.

These locations allow us to reach adopters that may not know about DCHS or be too far away to come to the shelter directly.

Be sure to visit these locations to meet more DCHS cats that available at the shelter!
