## Mission Statement

The Dunn County Humane Society (DCHS) is dedicated to improving the lives of companion animals in our community and finding permanent and loving adoptive homes for the animals in our care. DCHS promotes the humane treatment of animals and operates as a no-kill facility, a philosophy that has been with the organization from the beginning. We do not forfeit the life of one animal to make space for another. All incoming animals are evaluated, medically treated and rehabilitated when possible. DCHS is a 501(c)(3) non-profit organization that relies on the good will and generosity of individuals and corporations.

# Challenges and Inspirations in 2020

This year has been challenging for all of us to say the least. For organizations such as the Dunn County Humane Society, that rely on the generosity of individuals like you and local businesses, it has been especially stressful. We are very fortunate to have a strong base of supporters who have continued to donate and participate in events (as we are able to have them). Our Mutt Strut n' Tabby Trot was switched to a virtual event this year, and we had no idea what to expect. The amazing result from the event was a record \$20,000 raised!

We were also fortunate to have a visit from a very special person named Donna Price in August. Donna has lived in the area her entire life, and remembers spending her childhood days playing with the family dogs. She is a lifelong animal lover - "I have had many pets through my life and they were all special, each in their own way," she said. Touring the shelter, Donna remarked that she couldn't believe a shelter could be kept so spic and span with so many animals! "It's a wonderful thing that we have such a nice place for the stray dogs and cats here in Menomonie," she said. Her very generous donation was made in memory of her husband Murrell, who was also an animal lover. Her decision to make the donation now was in part due to seeing the challenges organizations are facing during this year, as well as being able to see how such a contribution can benefit somewhere like DCHS.

If you have been thinking about making charitable contributions this year there are some giving incentives included in the CARES Act (signed into law on March 27).

The act recognizes the heightened importance of charitable giving and includes key provisions designed to encourage increased charitable giving in 2020 and beyond. Contact your financial advisor for more details!

## Introducing our new Shelter Manager!

Hi, my name is Lynnette Bryant-Thompson and I am the new Shelter Manager here at DCHS. For my first article in Paw Prints I thought I should tell you a little bit about myself, so here goes!

In the last 6 years before starting at the shelter, I owned and was chef of Netty Q's Italian Food Restaurant, with restaurants and a food truck in Menomonie and Stillwater. Prior to Netty Q's, I was in management for over 20 years.

In December of 2019, I adopted a dog from the DCHS and I cannot imagine our home without her. The staff was wonderful through the adoption process and beyond. In the spring of this year, I also became a member not knowing this was where my career would take me. I have some big shoes to fill succeeding Josh but I am up for that challenge!

I love what the Dunn County Humane Society stands for and I am proud to be a part of this organization. It is overwhelming how much everyone at DCHS cares about animals. The facility is well run and the staff is incredible. I look forward to many years making a difference in the lives of both the animals we care for and our adopters.

**Wondering how your favorite DCHS alumni is doing? Visit [bit.ly/happy-tails](http://bit.ly/happy-tails) to see updates we have received!**

**If you would like to send us an update on a dog or cat that you adopted from us please send pictures and updates to [info@dunncountyhumanesociety.org](mailto:info@dunncountyhumanesociety.org) We love to see how everyone is doing!**

## Adventures on the Road or "The Case of the Slippery Cat"!

I proudly serve as a Board Member and dedicated volunteer at the Dunn County Humane Society, often cuddling kitties twice weekly and bringing some needed love and attention to these wonderful orphans. Last year, while on an annual trip, every pet owners' fear came true for us. Our own cat, Coach, a DCHS Alumni adopted December 2014, turned up MISSING!

Our annual trip to Grand Marais, MN, 247 miles from Menomonie, brings back these agonizing yet joyful

memories of one year ago. We purchased our motor home in 2010 to avoid kenneling our pets while traveling, and yet we had this horrifying experience. Our new motto is: **KEEP YOUR EYES ON THE CAT!**

While traveling home from Grand Marais along the MN north shore to spend a few nights at Pattison State Park near Superior, WI we made only two stops - one in Two Harbors for lunch in a strip mall parking lot and the second to gas up at an unattended station along Highway 61 near Duluth.

Upon reaching the park, we filled our water tank and proceeded to our campsite. Our rescues, Raven and Coach, are generally hanging at the door, as we usually allow them outside in their harnesses upon arrival. This time it was only the dog - what a feeling of PANIC! I immediately returned to the entrance, assuming our kitty escaped while getting water. It's a very woodsy area and we had no luck finding him, so we decided to retrace our steps back to Two Harbors, a 45 mile drive. Upon reaching the unattended gas station, we were glad to see a man mowing the expansive area. He introduced himself as T-Bone, brother of the owner. T-Bone hadn't seen a cat while mowing, but offered some scratch paper from the office to make notes for the pumps: **MISSING - 10 YEAR OLD WHITE CAT WITH TABBY MARKINGS - "VERY FRIENDLY", NAMED COACH, REWARD**, and my number. He also offered his sister's printing business in Duluth to make posters if needed.

We then returned to the strip mall in Two Harbors, placing missing cat notes on the bulletin board of Super One Foods, as well as on windows of the bank and optical company.

Too distracted to concentrate myself, I contacted our two daughters in IL who placed Missing Cat announcements with five Lost Pet organizations in Two Harbors and Duluth, MN and Superior, WI. All we could do at that point was return to our campground to wait, hope and pray.

Then at 1:10 a.m., my cell phone rang. The caller identified himself as Ben, in the Coastguard and traveling from St. Ignace, MI to Minneapolis. He stopped for gas and while reading a missing cat note on the pump, **A CAT MATCHING THE DESCRIPTION WAS RUBBING ON HIS LEG**, a miracle for sure! He was a young man, but conscientious enough to even bother and call us!

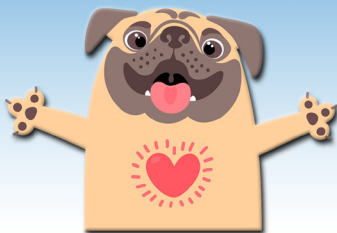

Since he was heading south, he offered to meet us at a Kwik Trip in Superior, reducing our drive to only 15 miles. Coach slept on his front car seat, exhausted from his "busy day" - missing for approximately 12 hours. We couldn't have been more grateful to Ben, who wouldn't even accept our reward!

Traveling with our pets has made our trips more enjoyable, keeping "the family together". But we are ever more mindful of their whereabouts in our vehicle and at home - most especially the "Slippery Cat"!

The moral of my story: **NO ONE** is exempt from losing their pets, no matter how much time they devote to a great cause or love their animals!

thank you!

for helping to make our first "virtual" Mutt Strut such a huge success...to the tune of an all time event record of \$20,000 raised! We really can't say how much we appreciate all of our amazing supporters enough, we truly couldn't do what we do without you!

*Thank you everyone who has given so generously! We do our absolute best to share the names of all those who do so, but it is increasingly complex to do so given the numerous different donation sources. If we missed you or someone you know, please understand that it is completely unintentional. If you wish to confirm receipt of a donation, please contact us.*
